Suggested Readings / Resources

- Check this article where E4A is mentioned!

  What is 'ecological economics,' and why do we need to talk about it? By Anitra Nelson and Brian Coffey in *The Conversation.* Nov 4th, 2019.

- Please click here to read the Fall 2019 edition of the **CICADA newsletter**. It is available in English, French and Spanish.

- Interesting article about the challenges of writing "Reducing the weight of your words. How to lighten your reader's cognitive load in your academic writing". By **Letitia Henville**. Nov. 8, 2019.

- "The path to net-zero emissions won't be easy, but here's how it can be done" by Brett Dolter, in CBC News. November 18, 2019.

- Work and Climate Change Report - Issue #88. November 20, 2019.

- Ricketts, Cushman, Copeland Named to List of World's Most Influential Researchers. Gund News, November 20, 2019.

- To read more on the *ELGA Network Announcements*, please click here.

Pracademics Agenda (Non-academic and Activism)

- **Uneven Earth** is starting a new series: a glossary of crucial concepts in political ecology, alternative economics, and environmental justice. They are **calling on experts and activists** to help us put out easy-to-read, clear, and opinionated explainers of some of the most important issues. If you are interested in writing an entry, please send an email to **info@unevenearth.org**, with a brief description of your political position, and why you are well-placed to write this entry. For more information, click here.

E4A – L4E Speakes

Check out the newest publications from our students and post-docs.

- Take a look at the A2E Symposium blog series/proposals that are going to be published every Wednesday in *Uneven Earth.*
    - "Shrink the military, shrink injustice. The US Green New Deal must be anti-imperialist". By Walter Keady. October 30,2019.
    - "Rethinking education for the Green New Deal. Governance for an eco-centred curriculum – or nor?" By Gabriel Yahya Haage. November 6, 2019.
    - "Trade governance will make or break the Green New Deal. How the GND could, should, must redefine "protectionism" and transform international trade" By Shaun Sellers. November 13, 2019.

- We have a new paper just published online in ***The Anthropocene Review*** entitled "A Critically Modern Ecological Economics for the Anthropocene." By **Michael B. Wironen and Jon Erickson**. Here's the link.
